Make way for the Fat Fury! The unlikeliest superhero of all time makes his mark in this new Dark Horse archival series. Coming from the strange, wry imaginations of classic comics scribe Richard Hughes and artist Ogden Whitney, Herbie Popnecker looks like a plump lump, but with his collection of supernatural lollipops, there is pretty much nothing that he can't do. "Herbie Archives Volume 1" collects the earliest appearances of Herbie, as he battles monsters, bends time and space, and gets the better of Fidel Castro! "Herbie" is a delightfully weird, all-ages barrel of laughs!
