These official Saab manuals are the only factory-authorized, comprehensive, single source of service information and specifications available. Whether you're a professional technician or a do-it-yourselfer, these manuals will help you understand, care for, and repair your Saab. Everything from fundamental automotive concepts and maintenance procedures to complex electrical system troubleshooting and complete engine overhaul is clearly explained. Critical updates and information from the Saab Service Information Manual, the Parts and Service Information System and Saab Service Training have been included, as well as fast, proven repair procedures and tips used by Saab technicians.
