Hannah Marsh has it all. But no matter how good things are, she cant shake a nagging feeling that all is not right. And then comes the call from her sister Ceel. At Ceels instigation, Hannahs husband accepts a teaching position at a private school in Asheville. It is a move that reintroduces Hannah to Daintry OConner, her best friend from childhood, her nemesis as an adult. Seeing Daintry reopens old wounds, forcing Hannah to revisit the past and try to make sense of what went wrong with their friendship.
