“I did not go to Nicaragua intending to write a book, or, indeed, to write at all: but my encounter with the place affected me so deeply that in the end I had no choice.” So notes Salman Rushdie in his first work of nonfiction, a book as imaginative and meaningful as his acclaimed novels. In *The Jaguar Smile*, Rushdie paints a brilliantly sharp and haunting portrait of the people, the politics, the terrain, and the poetry of “a country in which the ancient, opposing forces of creation and destruction were in violent collision.” Recounting his travels there in 1986, in the midst of America’s behind-the-scenes war against the Sandinistas, Rushdie reveals a nation resounding to the clashes between government and individuals, history and morality.

评论

有点枯燥，先放一边。

1987edition. "O, sorrows of my land, O death-rattle of the great established silence, O, long-suffering peoples O, slender waist of tears. "

在这本随笔集中，你可以看到与喋喋不休的小说家鲁西迪不同流畅洒脱的一面。
