A Buddhist holy man whose songs have been sung and studied since the twelfth century, Milarepa exchanged a life of sin and maliciousness for one of contemplation and love, eventually reaching--according to his disciples--the ultimate state of enlightenment. His thousands of extemporaneously composed songs communicate complex ideas in a simple, lucid style. This volume features the religious leader's best and most highly esteemed songs of love and compassion. Sure to inspire and provide reading pleasure to a wide audience.
