Outstanding collection of over 400 designs and illustrations, selected from authentic sources of medieval and Gothic ornamentation, includes woodcuts of human figures and walled cities, images of fanciful beasts and creatures of the sea and air, drawings

of turreted castles, knights in armor, and much more. Perfect for adding a rich period flavor to catalogs, brochures, magazine articles and other print projects, this copyright-free material will also serve as a practical sourcebook for a host of art and craft projects.
