For this distinctive CD-ROM and book collection, illustrator Mallory Pearce has faithfully

adapted 59 authentic Celtic motifs to create a glorious fullcolour display of frames and borders. Featuring the eyecatching sinuosities of traditional Celtic art, the designs incorporate mythical creatures, birds, mermaids, abstract patterns, geometrical and animal forms, a handsome Celtic cross, and more; the frames also display smaller illustrations within larger borders. Perfect for adding a unique touch to almost any graphic project, these dazzling images are ideal for computer or traditional cut-and-paste use and can be used to enhance menus, catalogue pages, stationery, and any number of other commercial and artistic projects. Dover Original. One CD-ROM and paperbound book.
