Here's Herbie! Dark Horse Books presents the final volume in its well-received archival series reprinting the wild, wacky adventures of Herbie Popnecker, who may look like a plump lump of a kid but who possesses extraordinary abilities along with an amazing collection of supernatural lollipops! Love-starved ladies, evil governments, monsters from the depths of the sea - nothing can stop him! This surreal, kooky, tongue-in-cheek comic series from the 1960s has been an all-ages cult favorite for decades. Past, present, and future - Herbie is amazing!
