

The Theology of Huldrych Zwingli

[The Theology of Huldrych Zwingli 下载链接1](#)

著者:W. P. Stephens

出版者:Oxford University Press, USA

出版时间:March 10, 1988

装帧:Paperback

isbn:9780198266976

"A major, comprehensive treatment of Zwingli's theology which is not likely to be surpassed for many years. All Reformation scholars and students of Christian theology are indebted to him for this magisterial effort."--Journal of the American Academy of Religion

"The best book available in Zwingli's theology. It is excellent for use by seminarians and clergy."--Anglican Theological Review

"This detailed study, exhaustively documented, will surely become a standard source

for understanding Zwingli's thought."--Theological Studies

"Until now there has been no satisfactory comprehensive and systematic treatment of the theology of Zwingli....It is good news for teachers and students that this work is now available in paperback."--Sixteenth Century Journal

"Highly recommended, this work is appropriate for graduate students and upper-division undergraduates."--Choice
