Kade, called 'The Key to the Kingdom of Heaven, and the Chain to the Abyss of Hell', must once again face the demon known as Apollyon, who has merged with Karmic to form The Beast, Abbaddon! And, if that wasn't bad enough, The Fallen - seven angels who defied God - are released, determined to bring about the Apocalypse! "Kade: Sun of Perdition" takes place 1,000 years after Identity and is set during the Dark Ages.
