Jubal Kane was twenty-two years old. For the past year, he'd been in the saddle every day, riding from town to town on a seemingly endless search for three cold-blooded killers. They were the men who'd shot his parents in cold blood while Jubal watched, hidden inside a pile of hay. Mitchell was one of these men. And with his death, Kane found some relief from the memories that had been haunting him. But two murderers lived on. Jubal knew that until he found them, he would have no peace. So he set out again, into the wide-open country, on a quest for revenge, and most of all, the truth. It was a voyage that would lead him into the face of danger--but also into the arms of Jenny, the beautiful innocent who believed in Jubal with all her heart.
