评论

1、 No lessons can be taught in love except love itself and you can't fight the feeling to love even it hurts.2、 带有思辨性的言情小说并不显得可读性强。3、 用sex pistols的歌当童谣唱给女儿听的桥段大概是本书最好笑的一处。4、 有一段作者（第一人称）纠正前妻的来信拼写错误，但是疑似作者本人整天用错“hurt”这个词（everything hurt）,难道不应该是everything hurts吗？

书评

I picked up this book from our library, in accident. I actually intended to find another book. When it turned to be an impossible case I took my chance to look around and then I found this one. The Love Secrets of Don Juan I am not a student who like readin...

Actually, the man is not so wonderfull as the title suggested. He mess up almost all hic relationships. He decided to learn lessons from it . He tells his relationship in a frankly way. From his first experience with a girl in his 13 to his finally falling...
