This is a beautiful large format gift edition of the sixth collection of irresistible short stories from the master storyteller illustrated throughout in colour by the internationally acclaimed artist, Ronald Searle, creator of "Molesworth and St

Trinian's". These twelve yarns are beautifully illustrated with 48 specially commissioned, full page illustrations of humourous cats reflecting aspects of each of the individual stories and numerous playful touches all throughout the text. The stories and the illustrations feature the mad, the bad and the dangerous to know as well as some more poignant and telling characters. This will be a fantastic Christmas gift for all fans of Jeffrey Archer and Ronald Searle...and cats.
