## AN IMAGINARY FRIEND

Jane Margaux is a lonely little girl. Her mother, the powerful head of a New York theater company, makes time for her only once a week, for their Sunday trip to admire jewelry at Tiffany's. Jane has only one friend: a handsome, comforting, funny man named Michael. He's perfect. But only she can see him. Michael can't stay forever, though. On Jane's eighth birthday he leaves, promising that she'll forget him soon. He was there to help her until she was old enough to manage on her own, and now there are other children who need his help.

## AN UNEXPECTED LOVE

Years later, in her thirties, Jane is just as alone as she was as a child. And despite her own success as a playwright, she is even more trapped by her overbearing mother. Then she meets Michael again--as handsome, smart and perfect as she remembers him to be. But not even Michael knows the reason they've really been reunited.

## AND AN UNFORGETTABLE TWIST

Sundays at Tiffany's is a heart-wrenching love story that surpasses all expectations of why these people have been brought together. With the breathtaking momentum and gripping emotional twists that have made James Patterson a bestseller all over the world, Sundays at Tiffany's takes an altogether fresh look at the timeless and transforming power of love.

## 评论

英文不是很难，用来提高提高英文阅读的故事。

-----  
Three half stars. Imagination with imaginary friend, and beyond imagination. But how come it can be real?

## 书评

It is a good story. Simple, soft, and romantic, with mix of joy and sadness. Real and unreal as well. (It reminds me of James Patterson's another book: The Lake House. Even the characters in both stories have some similarities.) But it is not on my "favor...

-----  
I can just say that the story is great. It is almost impossible for me to leave it half-done. But when I finally finish the whole story, I just think that if it has another ending, maybe it will be truly perfect. Anyway, Michael is still a good guy. Blue ...
