

Radio makes us invisible, cooling songs far and wide and
up on immovable receivers, within countless ears. This in-
stead of receiving inserts a soundtrack to physical location
and related encounters, intensifying man's ability to give
emotional charge.

Inviting people from around the world to share their radio
memories - of songs overheard at special moments in their
lives - Radio Memory is an artist project archiving personal
stories that in turn speak toward a larger cultural experience.

RADIO MEMORY / Brandon LaBelle

Excerpt Radioes From Radio Issues Vol. 4

For the project documented in this volume, Brandon LaBelle invited people from around the world to send in radio memories--of songs overheard at special moments in their lives. "Radio Memory" contains contributions by Bastien Gallet, Carmen

Cebreros Urzaiz and others, as well as a CD of audio works by LaBelle.
