装帧:Paperback

isbn:9781929133536

The subject of custom painting is always important for the simple reason that motorcycle owners can't leave their bikes alone. Bike owners want a custom paint job, and they want to learn how to apply custom paint in their own small shop, without

having to pay someone else two to five thousand dollars for a candy job or really nice set of flames. This new book is the only how-to-paint book that includes specific directions and tips from Dave Perewitz.
