The Dictionary - the Heart of the SEE System. Manual signs for over 4400 words, with the ability to make many more words. This book, the largest single collection of English

signed vocabulary, is clearly a must for all students, teachers and parents interested in learning Signing Exact English. Contains manual signs for the alphabet, numbers, contractions, affixes, and fundamental information about sign language, sign systems and deafness. Written descriptions are adjacent to line drawings of manual signs. Includes background on SEE, suggestions for creative signing and references for further reading.
