isbn:9788480763974

This is a fascinating chronicle of the sometimes stylish, sometimes embarrassing, and sometimes controversial but always expressive world of 20th century dance. It is an analysis of the ethnic and cultural heritage of popular dance featuring images that jump off the page. It contains entries on every dance trend, musical fad, and professional dancer from Josephine Baker and Bob Fosse to the origins of the waltz, ragtime, hip-hop, the tango, and the Charleston.
