著者:Hua Ching Ni

出版者:Sevenstar Communications

出版时间:1986-1-1

装帧:Perfect Paperback

isbn:9780937064115

What is wisdom? What is a soul? What is spiritual evolution? Profound questions and thoughtful answers open up new realms of understanding and personal growth. One of our classic oldies nut goodies, whose typeface is a little difficult to read but whose chapters include Unspoiled natural joy, Saving a broken heart and Saving a soul.
