

Canadian Bates' Guide to Health Assessment for Nurses

[Canadian Bates' Guide to Health Assessment for Nurses_ 下载链接1_](#)

著者:Tracey Stephen

出版者:Lippincott Williams & Wilkins

出版时间:2009-07-01

装帧:Hardcover

isbn:9780781778671

This adaptation of Bates' Guide to Physical Examination and History Taking has been

fully and extensively revised to meet the needs of Canadian nurses. Content has been expanded on health promotion, symptom analysis, client teaching, and documentation, with added new chapters on pain, nutrition, and psychosocial assessment. The classic strengths of the Bates' parent text remain: precise explanations of technique, clear and compelling visuals, and the easy-to-use two-column format. The Canadian Bates' Guide includes suggested research articles of interest to Canadian nurses and Canadian Resource sections with pertinent Web sites. Cultural Icons highlight special considerations pertinent to demographic groups in Canada with regard to history taking, examinations, and abnormalities.
