出版时间:2007-01-01

装帧:Paperback

isbn:9780764179839

Barron's is today and always has been the Number-One reference source for verb usage in virtually every major language. Leading all competition, the best selling " 501 French Verbs " beats all less well-established rivals with its brand-new 6th edition. It's printed in two colors, it features tinted page edges for ease of reference, and it comes with extra help for French language students in the form of a CD-ROM. The book presents the most important and most commonly used French verbs arranged alphabetically with English translations in chart form, one verb per page, and conjugated in all persons and tenses, both active and passive. The accompanying CD-ROM gives students practice exercises in verb conjugation plus a concise grammar review. This combined book and software package is a comprehensive guide to French verb usage with a wealth of reference material and language tips, including a bilingual list of more than 1,250 additional French verbs, helpful expressions and idioms for travelers, and verb drills and short tests with all questions answered and explained.

评论

以为是词汇释义书，其实是动词变位列表，只读了前面的语法梳理。

入门级别...不过好壮观的说。
本书唯一有价值的就是开头的语法简介，基本大致概括了法语语法。
书本身格式....可以唬唬人 或者防身用！
