Everyone knows forbidden fruit tastes better. Here are four samples fresh off the press! Full Disclosure by Mary Wine reunites a cautious woman and a man who won't settle for less than forever. In Karen Erickson's Spontaneous, Sophie has no idea why her hot boss wants from her. But she'll have a naked good time figuring it out! LeeAnne Kenedy's Bad Moon Rising gives a taste of full-moon madness too hot to handle. And in Samantha Lucas One Night on a Balcony, two people try to deny their lust for each other until one hot night that changes everything forever.
