MAINE MAGIC is the sequel to Enjoying
Maine, the best selling favorite among all recent
books on Maine. "

In its pages, pictures and drawings, you ll find

hours of joy, laughter, a few tears, a mass of interesting new information and insight
about

Maine. You will enjoy the warm. revealing
meetings with Maine people.

In about 80 varied, vivid stories MAINE

MAGIC takes you on enchanting trips to remote,

offshore islands, to country fairs, to surprising places in Maine which few writers see so intimately and report so magically as Bill Caldwell. Maine's favorite newspaper columnist.
