The bestselling author of When The Bough Breaks, Blood Test, and Over The Edge delivers the most stunning novel yet and featuring psychologist-detective Dr. Alex Delaware. At a party for a controversial Los Angeles sex therapist, Alex encounters a face from his own past--Sharon Ransom, an exquisite, alluring lover who left him abruptly more than a decade earlier. Sharon now hints that he desperately needs help, but Alex evades her. The next day she is dead, an apparent suicide. Driven by guilt and sadness, Alex plunges into the maze of Sharon's life--a journey that will take him through the pleasure palaces of California's ultra-rich, into the dark closets of a family's disturbing past, and finally into the alleyways of the mind, where childhood terrors still hold sway. Also available on BDD Audio Cassette. From the Paperback edition.
