Joining such best-selling clerical  
detectives as Harry Kemelman's  
Rabbi Small and G. K. Chesterton's  
Father Brown is the Reverend C. P.  
Randollph, a Protestant minister  
whose talents outstrip merely tend-  
ing his flock.

A handsome, liberal bachelor with a  
pro-football past, the Reverend Ran-

dollph expected problems when he became interim pastor at the Church of the Good Shepherd. But a murder in the church choir room, leaving a nude victim, demanded more than clerical judgment. Nor could Randolph find support in the dead woman's identity. Marianne Reedman was the wife of a member of the Board of Trustees who had just vanished with ten million dollars of the church's money.

A detective who believes only in "facts," plus an attractive newswoman always ready to aid a bachelor in distress, helps Randolph search for clues --including a set of secret diaries that reveal Marianne's nineteen affairs!

Was her final unnamed lover the murderer as Lieutenant Casey believes?

Randolph doesn't think so--and, applying the tenets of a stern Calvinist doctrine, discovers a killer too close to the vestry for comfort.

CHARLES MERRILL SMITH, D.D., describes himself as "a card-carrying clergyman of the United Methodist Church, who retired at the age of fifty

to write." His earlier books include the religious satires *How to Become a Bishop Without Being Religious*, *When the Saints Go Marching "Out* and *The Pearly Gates Syndicate*. He is married and has two children. REVEREND RANDOLPH AND THE WAGES OF SIN is his first novel.
