著者:Hans Lijklema

出版者:Pepin Press

出版时间:2009-01-15

装帧:Paperback

isbn:9789057681240

The Free Font Index contains comprehensive letterproofs of more than 500 fonts from 35 type foundries in 17 countries and interviews with 6 font designers. All fonts contained in the book are included on the accompanying CD and are licensed for personal and commercial use. A number of exceptional fonts have also been included which contain character sets for Central/Eastern European languages, Cyrillic and Greek.
