The Tide of the Future is a Freedom Tide! The signs are all around us: violent crime is up. Teen pregnancy is rising dramatically. Test scores are down. Cradle-to-the-grave social services are taking the place of personal responsibility. And all the while, our freedoms are eroding. Now is the time to take a stand! Filled with little-known facts about our nation's history, "Freedom Tide" sheds a hard light on where we are and how we got here, pointing out when and where we turned our backs on the solid values that once formed the bedrock of American society. Now you can make a difference! Most importantly, "Freedom Tide" is a call to action; a challenge to blaze a trail that will return our country to its founding principles before it's too late!
