A lusty chronicle of plantation life in eighteenth-century Jamaica; a saga of three families-Vane, Wells and Lonsdale-whose English roots are inextricably grounded in the cane and coffee-rich land that was their refuge from Cromwell.

Both the Vanes and the Lonsdales are threatcned by ever-increasing at-

tempts to disenfranchise free men of colored blood. Upon his death ten years earlier, Robert Vane, builder of one of the island's most prosperous plantations, had named his illegitimate, half-caste son, Seth, as the rightful heir to the Vane holdings; Seth Vane now rules the vast plantation empire despite attempts by his younger brother, Matt, to
