Four years ago, Dr. Sherwood Eliot Wirt, a consulting editor to The Joyful Noiseletter (JN), wrote a delightful book, titled The Book of Joy, about the lives of merry-hearted Christians of all denominations through the centuries. Now 86 years young, Dr. Wirt continues to enjoy life and reflect Jesus joy, good cheer, and wit. A long-time friend and associate of evangelist Billy Graham and the first editor of Decision magazine, he is also busy writing another book, Beloved Billy, which includes recollections of Dr. Graham, including a chapter on Graham's light side.

Dr. Wirt unearthed and passed on to the following remarks on God's joy and laughter by evangelist Paul Rader, pastor of Moody Church in Chicago back in the 1920s:

"When God chooses a man, He puts laughter into his life. God is delighted to fill the hearts of men with laughter. The anointing oil that was poured upon the head of David put laughter into David's life.

"Laughter, after all, is the surplus of life; it is a bubbling over of the emotions, a kind of spasm of exuberance, a delight of the human heart that makes the thorax cackle; something that warms the heart and delights the brain and the imagination so that men are moved to overflowing delight.

"The joy of the Lord is our strength. You may hold all kinds of theories, but does your theory lead to joy? Is there a victorious, glorious life within your heart in spite of the conditions that are roundabout?

"Whenever this anointing oil which Jesus bestows is put into your heart, you will be able to laugh. It is the oil of His presence that makes holy laughter in the life--not only in the disposition to laugh at a joke but the ability to laugh at calamity, to laugh at death, to laugh at the victory which the devil thought he had won.
