著者:Thomas W. Simons Jr.

出版者:Stanford Law and Politics

出版时间:2003-05

装帧:Paperback

isbn:9780804748339

This book takes a historical approach to examining Islam’s role in globalization. The author identifies complex historical and geopolitical trends in Islamic history, and constructs from these a clear assessment of contemporary Islam. Most important, the book examines historical trends from a perspective that contributes to an understanding of Islam in the aftermath of September 11.
