Girl, 15, Charming but Insane, huge bum, massive ears, seeks - well, seeks Ben Jones, but failing that, large Muslim-type burka garment to cover her deformities. Life can be trying when your best friend is a goddess, you are a woeful underachiever, and Ben Jones won't even look in your direction. Painfully spot on, "Girl 15" reveals with Technicolor precision the agony and the ecstasy (and the embarrassment) of being a teenager. With razor-sharp observation and deadpan humour we are offered a privileged peek at the life of Jess, 15, charming, but most definitely insane. This novel has a unique voice and humour that will make you want to read it again and again - if you can bring yourself to put it down in the first place.
