Teaming up with longtime friends and colleagues, Mike Chapman and Mercer Wallace, Alex Cooper investigates the disappearance of a world-famous dancer, who has vanished from the Metropolitan Opera House. Drawn behind the scenes of New York's theatrical community, the team is haunted by ghosts of the dramatic old theatres - and from their own pasts. At the same time, Alex and Mercer are trying to collar a doctor who's been using his extensive knowledge of and access to drugs to overpower women before assualting them. A spell-binding thriller combining the unique history of New York with fresh insight into the latest forensic techniques.
