Jason Cage is known in Las Vegas as "The Beast Master" - he uses lions and tigers in his act, and keeps wolves as pets. But Jason is far more than a stage magician. He is a vampire Prime of the Family Caeg, and one of the most powerful telepaths in the world. Having been attacked by dogs as a child, Sofia Hunyara is afraid of them, and terrified of wolves. When Jason and Sofia meet, the attraction between them is instant. Then Jason saves Sofia from a werewolf attack, and the adrenaline of the moment triggers all his primal urges - he realises that he has found his bondmate. They embark on a passionate affair, but a fearful menace surrounds them both, born out of a secret from deep within Sofia's family history, a secret which has been kept from her - until now. And although the knowledge of her past shocks and terrifies her, she must overcome her fear and embrace her dark legacy if she is to protect herself and those she loves from a monstrous fate...
