A merciless killer on the hunt...An innocent child in his sights...A woman driven to the edge to stop him...Iris Johansen, New York Times bestselling author of The Face of Deception and The Ugly Duckling, returns with the most daring, terrifying, and nerve-shattering novel of her career as she takes us inside the twisted mind of a psychopath...and the heart of a woman who refuses to let him win.The killer knew Eve Duncan all too well. He knew the pain she felt for her murdered daughter, Bonnie, whose body was never found. He knew that as one of the nation s top forensic sculptors she would insist on identifying nine skeletons unearthed on a bluff near Georgia s Talladega Falls. And he knew that she wouldn't be able to resist the temptation of believing that one of those skeletons--the one belonging to a young girl--might be Bonnie s.But that is only the beginning of the killer's sadistic game. Soon the calls begin to come. Sly, insinuating, chilling. Whoever is on the other end of the line is watching. He sees every move Eve makes. He savors her pain. He could strike at any time. But that s not what he wants--not yet.In a heartbeat, Eve's world is turned upside down. Not even the two tough, powerful, and relentless men who would do anything to keep Eve safe can help her. Charismatic business magnate John Logan and hard-as-nails Atlanta detective Joe Quinn can't go where Eve must go. Because the killer wants her alone, and he ll use his ace in the hole to make sure Eve

complies.Now Eve Duncan must match wits with the most dangerous of psychopaths. A man for whom life and death is no more than a game. A killing game. And he won t stop playing until he s gotten the prize he wants most: Eve s life.
