Welcome to the Department of Extraordinary Affairs Other Division--New York's answer to the underfunded world of paranormal investigation. It's a job caught up in red tape, memos, and office politics, but its becoming par for the course for recent recruit Simon Canderous. After a life of petty crime and twenty four years of watching his power of psychometry--the ability to divine information solely by touching an object--destroy any chance of a real relationship, he's joined the forces of Good hoping to gain some control. But when the mysterious ghost of a recently dead woman shows up at the Lovecraft Café, he and his mentor must figure out how she fits into a nefarious plot involving the cultists rights movement, a large wooden fish, and the forces of Darkness crushing on him.

作者介绍:

Fantasy author Anton Strout was born in the Berkshire Hills mere miles from writing heavyweights Nathaniel Hawthorne and Herman Melville and currently lives in historic Jackson Heights, New York (where nothing paranormal ever really happens, he assures you).

He is the co-creator of the faux folk musical Sneezein' Jeff & Blue Raccoon: The Loose Gravel Tour (winner of the Best Storytelling Award at the First Annual New York International Fringe Festival).

In his scant spare time, his is a writer, a sometimes actor, sometimes musician, occasional RPGer, and the worlds most casual and controller smashing video gamer. He currently works in the exciting world of publishing and yes, it is as glamorous as it sounds.
