FonoLibro is pleased to present the audiobook in Spanish "Sobrevivir entre Piraas" (How to Survive Among Piranhas) written by Joachim de Posada. In this audiobook, De Posada teaches techniques on how to be a better sales person. It is not only destined to professionals in sales but to everyone interested in the way ideas are presented and on methods on how to get to know your weaknesses and strengths to perform better in tough and competitive environments. De Posada shares motivational methods that

he has used in seminars for such major corporations as IBM, Citibank, and Sprint -not to mention the L.A. Lakers and the Milwaukee Bucks.
