An engaging introduction to one of the most intriguing cultures of contemporary society

“A unique reassertion of the theoretical and practical foundations of one of the most remarkable international cultures on the face of the earth.” - Professor Barry Hallen, Morehouse College, Atlanta, GA.

“The book will certainly generate new conversation on many issues of interest to scholars and to the general reader.” - Professor Jacob K. Olupona, UC Davis, CA

- Foreword by John Pemberton III, Crosby Professor of Religion, Emeritus, Amherst

College, MA

Chapter 1 Introduction - 1.1. Where is Africa? 1.2. The Study of Yoruba Culture. Chapter 2 The Yoruba - 2.1. Locations, Populations and Culture; 2.2. From Africa to the New World.
