This laminated fleximap of Umbria contains five maps, including Umbria, Assisi, Orvieto, Perugia, and an overview regional map. It also gives overviews of the top recommended sights and places to visit, as well as practical data, climate tables and local transport details. The key features include: detailed cartography highlights all the main tourist sights and provides valuable motoring information; informative text - essential facts about the destination are provided, plus handy tips for getting around; ease of use - the durable maps fold very easily, even when it's raining; and laminated finish - you can write on the map with a non-permanent marker pen and wipe it off later.
