Autumn 2003 sees the launch of the first four titles in The Delia Collection a series

currently planned to contain eight titles in all. In compiling the Collection, Delia has chosen her best and most popular recipes updating old favourites and adding some that are completely new. These are books aimed both at experienced cooks and at newcomers to homecooking who can be sure that, with Delias friendly and approachable style, they will be guided by a trusted hand through her fail-safe recipes. The first book in the series is a collection of over 50 soup recipes. Delia believes strongly in home-made soup, using good quality fresh ingredients, and here the reader will discover a wealth of ideas for nourishing, satisfying, tasty and often low-calorie soup.
