中国商旅手册扬抑结合，根据实际，通过大型公司和工业区发展的经验，客观地对各地投资环境的优缺点进行了分析，并提供了详尽的指导，无论先后。除了各省的必要经济信息以外，还将最新的地图和图表囊括其中。

本书同时还对外侨在华生活工作中出现的实际问题进行了解答。而且还收入了主要政府部门、各国驻华使馆、领事馆、以及提供关键商务及服务公司的联系信息。

The China Business Handbook contains a comprehensive guide to every region of China - from the thriving coastal cities to the up-and-coming inland regions. This edition provides essential economic information about each province, supplemented by up-to-date maps, charts and tables. It details the key economic strengths and weaknesses of each region, along with the major companies and industrial zones.

The book also provides an overview of the practical issues involved in living and working in China. Contact details are included for the principal ministries, foreign embassies and consulates, as well as key business and service companies.
