In this book, World Champions Rob Hughes and Simon Crow explain the methods and techniques which have brought them success on many waters around the world. They explain the importance of strategy; carp and its environment; the next generation of carp; tactics, rigs, bait, and location of feeding areas; and a full account of how the authors won the 1996 World Championship. Profusely illustrated with photographs,

"Strategic Carp Fishing" is written for the angler of today.
