isbn:9780618918072

Featuring thought-provoking essays collected from scholarly journals, this highly respected reader provides an overview of the major, contending theories that shape U.S. foreign policy. Edited by one of the foremost authorities in the field, this volume contains selections written by leading scholars in U.S. foreign policy and international relations. The essays provide representative statements of the major contending explanations of American foreign policy and encourage readers to evaluate the issues that shape our foreign policy today.
