From world-renowned origami artist, Michael LaFosse, comes a unique and beautiful collection of twelve origami projects featuring the artist's favorite butterfly and moth designs! Craft eye-catching origami for your friends, decorate a room, or give as a wonderful gift for kids fascinated by the delicate beauty of butterflies and moths. This exciting kit contains everything you need to create the following designs: A Butterfly for Alice Gray, The Lillian, Alexander Swallowtail, Alexander Aztec Swallowtail, The Baxter, The Michael Shall, The Temko, Origamido Butterfly, The Joyce Rockmore, The Nolan, LaFosse's Moth, and, Evangeline Fritillary. Also included with this kit is a detailed description of Michael G. LaFosse's origami butterfly design system. As you gain understanding of the system's variables, you will be able to create your own fanciful origami butterfly and moth 'species'.
