More than one-fourth of the Bible was prophetic in nature at the time it was written. And Christ's second coming is mentioned more than 300 times in Scripture. Clearly, God wants us to understand the last days - and what better way to do so than with this trustworthy and easy-to-use encyclopedic guide to Bible prophecy, which provides...a comprehensive overview of prophecy-related terms; helpful illustrations that provide graphic pictures and timetables of the end times; informative surveys of all the major prophetic viewpoints; and, concise explanations that answer tough questions about Bible prophecy. No library is complete without this popular-style resource with over 400 pages filled with thousands of facts about Christ's return and the end times.
