In this book, David Kelly tells of the many experiences of his life. He shares about the loss of loved ones, financial ruin, near death experiences, fears, times of low self-esteem, heartbreak, seeing someone almost beheaded in a foreign country, mastering a martial art, having a successful marriage, being a parent, and even being diagnosed with a permanent mental and physical illness. In this second edition, he also adds an epilogue that tells of amazing acts of God--miracles that will astonish any reader.
