著者:Michael Morris

出版者:Routledge

出版时间:2008-12-16

装帧:Hardcover

isbn:9780415357210

Written by a leading expert, this is the ideal guide to the only book Wittgenstein published during his lifetime, the "Tractatus Logico-Philosophicus". Michael Morris makes sense of Wittgenstein's brief but often cryptic text, highlighting its key themes. He introduces and analyzes: Wittgenstein's life and the background to the "Tractatus"; the ideas and text of the "Tractatus"; and, the continuing importance of Wittgenstein's

work to philosophy today. Wittgenstein is the most important twentieth-century philosopher in the English speaking world. This book will be essential reading for all students of philosophy of language and metaphysics.
