"If You're Feeling Sinister" includes interviews with band members, producers, management, and a range of fans, and provides perspective on how Belle & Sebastian transformed themselves, over the space of a decade, from an underground, slightly shambolic cult secret into a polished, highly entertaining, mainstream pop group. "Thirty-Three and a Third" is a series of short books about critically acclaimed and much-loved albums of the past 40 years. By turns obsessive, passionate, creative and informed, the books in this series demonstrate many different ways of writing about music.
