Writing! Children are challenged to write 96 simple words representing each letter of the alphabet and their beginning sounds on 12 colorful two-sided wipe-off learning mats. The child is directed to trace and write each word from the traced model to ensure correct practice. Teaching guide with extension activities and a set of wipe-off crayons included.

Helps promote these important developmental skills:

- \* reading and writing basic words
- \* writing alphabet letters with accuracy and ease For use with Grades K-2.
