What Will Your Tokyo Encounter Be? Waking at dawn for the freshest sushi breakfast at Tsukiji Market or sinking sake in the down'n'dirty alleys of the Golden Gai? Playing paparazzo to Harajuku's famed and outrageously clad cosplay zoku (costume-play gang) or strutting down Ginza's boulevard lined with fashion straight off the catwalk? Try blowing off steam the traditional way, in a popular neighborhood onsen or getting your geek on in Akihabara's bargain bins of electronics, games and manga. Discover twice the city in half the time with a full-color pull-out map and detailed neighborhood maps for easy navigation. Our experienced author recommends the top neighborhoods, shops, restaurants, sights and entertainment with unique itineraries and highlights help you make the most of a short break. Locals reveal Tokyo's secrets: from a kimono designer's favorite place to shop to a rock-climbing guide's ultimate adventure spots.
