isbn:9781592535132

Through the creation of three complete step-by-step projects, readers will develop colour boards, learn to use vintage images, create both 2-dimensional and 3-dimensional cloth dolls, learn sophisticated costuming techniques, and gain knowledge of elaborate soft sculpting with this title. A gallery shares the inspirational work of several well-known doll artists who have created their own versions of each project. Complete patterns and templates are included in this title.
